## BEAN SAYS BOUT IS A CERTAIN GO

No Interference to Be Made by County Officers at the Exhibition.

### CLAIMS THAT HE IS IN POSITION TO KNOW

#### Local Sporting Men Enthusiastic Over Coming Ruhl-Wille Bout.

"The Ruhl-Wille boxing exhibition will absolutely be pulled off next Tuesday evening at the Salt Palace grounds in this city."

This was the emphatic statement that was made late last night by Willard Bean, manager of the Athenaeum club, under the auspices of which the bout is announced to be held.

Bean further stated that although he was not at liberty to go into details in the matter, he was in a position to say that he could assure the local sporting men and all those who come to Salt Lake City from the outside that the bout will occur.

County Attorney Christensen, who ordered several days ago that the light be stricken, and who was expected to return to the city last night from Idaho, had not arrived at his home at a late hour last night, and consequently could not be interviewed on the subject.

### Learned in Reliable Quarters.

It is understood in reliable circles, however, that Mr. Christensen will not pursue his announced intention of preventing the bout, he having been convinced that his action was taken somewhat hastily, upon advice that are and is not entirely agree with his own.

The announcement last night that the boxing bout is absolutely assured was received with a great feeling of satisfaction by the men of the sporting circles who heard it. They were assured that there would be no interference on the part of the authorities, and that the bout will be pulled off as scheduled.

### SHOOTS FAITHLESS SPOUSE

#### Woman Becomes Deranged After Committing Deed.

NEW YORK, Sept. 22.—Because he had deserted her, Edward R. Wilson was shot and seriously wounded by his wife within a stone's throw of the criminal court building yesterday. After the shooting she calmly put the revolver in her pocket and walked away. A small boy tried her until he met a policeman, half a mile from the scene where he had her arrested. Her composure gave way to hysteria when she was arraigned in the Tombs Police court, and she created such a scene that court attendants believe her mind had become deranged. She cried that her baby, dead six months, was in a box in an adjoining room, and all efforts to comfort her were in vain.

He was 22 years old, and was seeing the world. He told his name and address, 610 North street, Cheyenne, Wyo. He had fallen asleep when riding on a freight, and was ground under it. The young man was brought here at 7, and, conscious, he died at that time. He met death bravely.

## AUDUBON BOY MAKES WONDERFUL SPEED

Equals Record of Star Pointer, Covering Mile in 1:59 1-4 on Heavy Track.

### READVILLE, Mass., Sept. 21.—More

than 3,000 enthusiastic followers of harness racing saw Audubon Boy pace one of the most wonderful miles ever made under adverse conditions at the Readville track today. Time, 1:59 1-4, equalling the record made by Star Pointer seven years ago. Audubon Boy started to beat 2:00 1-4.

### Track Heavy.

Weather conditions favored record time, but the protruding rain earlier in the week left the track heavy. The assistance of a pacemaker was useless. Audubon Boy having distanced his pacemaker before the half mile post was reached. In making the trial for the record, James V. Gaycomb, owner of the chestnut stallion, refused to use a wind shield or to have a running horse draw a cart with canvas attached between the wheels in the lead, preferring to make the attempt in the same way that Star Pointer gained the world's record of 1:59 1-4 at the Readville track seven years ago.

This is the present record with the runner or pacemaker going at one side. Dan Patch, in 1902, paced a mile in Readville in 1:59 1-4 under similar conditions, but as he went to beat that time it was recorded as a losing performance. Since then Dan Patch has gained a record of 1:58 1-4 with a mile made with a running horse in the lead.

### Made Half in 57 1-2 Seconds.

It was a little after 4 o'clock when Audubon Boy tried for the record. The first quarter was made in 22 seconds and the next in 23 seconds, making the time for the half 45 1-2 seconds. When the time was announced the crowd cheered. The third quarter was reached in 1:27 1-2, but before this it was seen that whatever the time of the mile Audubon Boy would have to make it entirely unassisted, the pacemaker then being 300 yards in the rear. Gaycomb did not make a stirring drive at the finish, and was 31 1-2 seconds coming to the wire, making the time for the mile 1:59 1-4, just equalling Star Pointer's time, and giving Audubon Boy that mark in as much as his attempt was for the purpose of beating 2:00 1-4.

### Match Race Likely.

As a result of Audubon Boy's performance today, a match between the East and West is considered probable. Audubon Boy representing the East and Dan Patch the West. It is said that with W. W. Walker, owner of Dan Patch, will agree to a match of speed at Memphis, Tenn., next month, as Gaycomb is anxious for a race.
